My OVCA Friends :

Attendance Matters!

Attendance facts:

As a virtual public school in Oklahoma, students are expected to complete 72 instructional activities per quarter, or about 2 activities per day, under state law. This is cumulative – students are expected to work daily. At OVCA, an instructional activity is defined as:

- Completion of assignments that are used to record a grade for a student that is factored into the student's grade for the term in which the assignment is completed;
- Attending live classes;
- Attending testing, virtual or in person;
- School-sanctioned outings in-person or online
- Attending Orientations.

Students who fall below 70% of expected instructional activities at any point during the school year will receive support from staff: CFAs, paraprofessionals, counselors, engagement specialists, and/or the truancy specialists. A student who is below 45% of the expected number instructional activities for three consecutive weeks may be withdrawn for lack of attendance. If you have specific questions, please contact our Truancy Specialist Celeste Claggett at cclaggett@okvirtual.org.

Truancy facts:

Students enrolled at OVCA are expected to school daily. Once a student has missed 5 consecutive school days, OVCA staff begin contacting learning coaches to check in on the student and family to work to re-engage the student. OVCA staff will attempt to reach families via email, phone calls, and/or text messages. If a student misses 15 consecutive school days, a student may be withdrawn for truancy and the legal guardian of the student referred to the state authorities for truancy. If your student will be absent for 5 (or more) consecutive school days, please contact your Community Family Advisor (CFA) with this information so that they can make the correct staff members aware and make sure that your student has what is needed to get back on track with school work.

More details regarding OVCA's Attendance & Truancy Policies can be found at The OVCA HUB.

"A GOAL without a PLAN is just a WISH"

OVCA's continued GOAL this school year is to help each of our families PLAN for success! Let's work together to make this not just a wish but reality for all of you. The OVCA Elementary Planner is designed to help you structure your school schedule.

Along with your weekly structured class schedule, the planner will help your student feel a sense of accomplishment. It can also help lighten the load for you as the Learning Coach. The planner is designed for your student to move to more independent scheduling of his or her days, weeks, Class Connects and assignments.

Goal setting is an important life skill to begin learning in grades k-5. We have some sample yearly goals on the following pages. We have included 2 blank pages for you to include your families specific goals. Included on each monthly page, is our **3 STARS & A WISH GOAL SETTING**. Follow the directions on the below to use that monthly feature.

3 STARS & A WISH GOAL SETTING:

Each month write 3 things that you and your student are super proud of. These are your **3 stars!** Have your student reflect on things they do well.

Some ideas are:

- I help others.
- I work hard on my schoolwork.
- I am going to my classes with my teachers.
- I am cooperating with my Learning Coach.
- I got all my math done for this week.

Now record your **1 wish!** Think about what things you need to work on. Set that as your goal!

Some goals or wishes could be:

- Counting to 100.
- Practicing my sight words.
- Paying better attention in Class Connect.
- Raising my hand in Class Connect.
- Starting school on time each day.
- Reading 15 minutes each night.
- Going to outings to make new friends at OVCA.

We sincerely hope you enjoy the OVCA SY 22-23 Elementary Planner!

My goals for this year:

Learning Coach goals this year:
